Quick-start steps to Google Voice for MMSD employees

Want a public telephone number (to use with students, parents and community members) through which you can route calls to and from any U.S. phone? Want to send text via your district Gmail account? Sign up for Google Voice.

Here’s how:

1. While signed in to your MMSD Gmail account, go to https://www.google.com/voice

2. Click “Get a Voice number”

3. Follow the prompts to choose a new Google Voice phone number and verify your forwarding number.
4. To send your first text via Google Voice, click the red box labeled “TEXT.”

Finally, to explore all the possibilities of Google Voice, click on Help in the gear box in the upper-right corner and you will be taken to Get started with Google Voice for more detailed information.
