

SCHOOL PROFILE

Cherokee Heights Middle School

Address: 4301 Cherokee Dr | Phone: 608-204-1204 | E-mail: cherokee@madison.k12.wi.us

Cherokee Heights Middle School (CHMS) is located on the near west side of Madison, which is close to many woods, parks and recreation opportunities. Our school prides itself in its rich cultures that are valued by our faculty, staff, students and families. For the purpose of allowing all students to achieve their full potential both socially and academically, we hold high expectations for all students who enter CHMS. Accountability and high expectations are consistently communicated to all on a regular basis. CHMS offers a Common Core State Standards based curriculum. We also offer dual-language immersion (DLI) programming as a continuation of students' K-5 DLI learning experience in MMSD. Cherokee Heights Middle School is a proud institution that promotes teamwork, collaboration, professionalism, restorative practices, and a strong dedication to lifelong learning. Cherokee Heights' staff acknowledges these attributes are essential in order to reach our academic and social-emotional learning goals.

School Principal: Sarah Chaja-Clardy

Equity Vision

Staff and students will work to understand and disrupt predictable patterns and beliefs with regard to race and equity in order to change practices and create counter-narratives, to ensure all students are valued and challenged at high levels.

Strengths

Cherokee Heights' strengths lie in the richness of diversity of our students, staff, and community members. Our dedicated, committed staff believe that in order for a curriculum to be successful it must engage all students and the curriculum must embrace Culturally and Linguistically Responsive Teaching and provide students access to education in their home language. Our school community values and respects all students that enter our school doors. We rely on our community supports and partners to strengthen the learning opportunities and experiences for our students during and beyond the school day and building.

Progress

Systems for ensuring student engagement and reading and math instruction have been a focus of learning in Cherokee Heights over the past two school years. Moving into the 18-19 school year, we are excited about Cherokee Heights' future and future successes as we specifically focus on developing our understandings of how to better implement culturally and linguistically responsive practices, while instilling a sense of agency, empowerment and ownership for all aspects of the educational setting, in service of our vision for equity.

Area for Growth

As we continue to ensure coherent implementation of MMSD curriculum and make plans to move forward with academic and career planning, social emotional learning, our Spanish dual language immersion program, implementation of a robust behavior education and response plan, and the many other exciting opportunities that await the students of Cherokee Heights, we are most excited about building and developing a school where students, families and staff feel that they belong, are valued, and have the opportunities to impact change. To achieve this end, we will be focusing on promoting a positive and healthy school culture and climate to bolster pride in our school community while fostering a life-long sense of curiosity and love for learning in our school.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will move on to high school and graduate college, career, community and innovation ready.
