Lincoln Elementary School is comprised of a staff who serve a diverse student community. Students receive instruction in English and/or Spanish Dual Language Immersion settings. Lincoln staff attend to the whole child through a core content areas supported by the arts, PE, technology, and enrichment clubs. Teachers facilitate the learning of social-emotional skills through formal instruction in both Second Step and PBS (pause/breathe/smile). Lincoln collaborates with families as partners and has established relationships with the University of Wisconsin, School of Education and Center for Healthy Minds, St. Mary's/Dean, Employee Trust Funds, Moving Shoes, and Findorff.

## Equity Vision

Lincoln Elementary School's students will grow and learn as the staff ensures that:

- Trusting and respectful relationships are built and maintained.
- The curriculum is culturally responsive for each student.
- The work with students is inclusive, differentiated, and student centered by design and in daily practice.

## Strengths

Lincoln Elementary School's students will grow and learn as the staff ensures that trusting and respectful relationships are built and maintained, the curriculum is culturally responsive for each student, and the work with students is inclusive, differentiated, and student-centered by design and in daily practice.

## Progress

During the past year we have focused on reading and writing with special attention to the development of critical thinking, supporting students in their growth toward self-management skills, understanding of growth mindset, providing club options and outdoor learning experiences, and maintaining the strong partnerships with our families and the community partners.

## Area for Growth

This year Lincoln staff will continue to improve our students' reading development while adding a focus on collaborative learning; developing lessons that foster collaborative learning and expanding learning experiences that contribute to well-rounded growth.

## Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
