

## SCHOOL PROFILE

# LOWELL ELEMENTARY

MADISON METROPOLITAN  
SCHOOL DISTRICT

Address: 401 Maple Ave | Phone: 608-204-6600 | E-mail: [lowell@madison.k12.wi.us](mailto:lowell@madison.k12.wi.us)

At Lowell Elementary, we believe in the creativity and uniqueness of every member of our community, whether student, staff member, parent, or community partner. Combining this creativity and uniqueness with material supports results in a rich stream of resources that allows us to tailor educational programming to the individual needs of our students, including groups that have historically underachieved. Our SIP plan is a place where we define the action steps we are taking to ensure success for all.

### Equity Vision

At Lowell Elementary, we believe in the creativity and uniqueness of every member of our community, whether student, staff member, parent, or community partner. Combining this creativity and uniqueness with material supports results in a rich stream of resources that allows us to tailor educational programming to the individual needs of our students, including groups that have historically underachieved.

### Strengths

Lowell Elementary's strength comes from its community. From classroom teachers and school support staff to parents, families, and external organizations, Lowell is a community strongly connected to its school and to the success of all students.

### Progress

The percentage of students in grades 3-5 scoring proficient in Reading on the Spring MAP, was 57% in 2017, five points higher than the rate for Spring 2017. In the area of Mathematics, proficiency was achieved by 56% of students in grades 3-5 on the MAP Spring assessment, a four point increase from the previous spring's benchmark score of 52%.

### Area for Growth

Across the 2018-2019 school year, instructional practices will continue to grow from past successes, pushing more heavily into literacy instruction that provides students with the skills to access complex texts, finding the right balance of warmth and demand for our students across all subject areas, and continuing to build teacher teams characterized by high levels of collective efficacy. We will also be working toward full implementation of our Welcoming Schools curriculum and innovative ways to communicate with our families and broader community in efforts to ensure a sense of Belongingness among all Lowell students.

### Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through the development of these skills and abilities, our students will leave Lowell ready for their next step toward being college, career, and community ready.
