James C. Wright Middle School

Address: 1717 Fish Hatchery Rd | Phone: 608-204-1340 | E-mail: wright@madison.k12.wi.us

James C. Wright Middle School prides itself on having "CLEAR" values: citizenship, leadership, equity, achievement, and relationship. Through caring relationships, exploration of interests and engagement in meaningful learning we strive to prepare our scholars to be community, college, and career ready. Wright staff meet students where they are and push them to the next level of challenge while maintaining high expectations for achievement. Wright students are on a "CLEAR Path to Success."

School Principal: Dr. Angie Hicks

Equity Vision

Wright is a scholar-centered community in which all are included, valued, supported & held to high expectations.

Strengths

Wright's small size enhances staff ability to empower scholars. A purposeful community and AVID culture is cultivated which promotes scholar engagement and builds scholar strengths and ability to achieve college and career readiness.

Progress

During the past year, Wright was recognized as the first middle school in Wisconsin to be named an AVID National Demonstration school for our focus on building a community and college ready culture through rigorous instruction. As a result of our intentional focus, we increased reading and math proficiency for all students.

Area for Growth

Wright will accomplish its literacy goals by continuing its work with planning lessons that emphasize inquiry and critical thinking skills. Through a focus on race, rigor, and relationships we will continue to develop self-efficacy through community building and identity exploration. Increased emphasis will be put on building collaborative teacher teams that are learning communities which plan rigorous instruction together to best meet the needs of all scholars.

Vision Connection

Our school supports MMSD's vision that all students develop the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
