

SCHOOL PROFILE

Jefferson Middle School

Address: 101 S Gammon Rd | Phone: 608-663-6403 | E-mail: jefferson@madison.k12.wi.us

It is our pleasure to welcome you to Thomas Jefferson Middle School. Our aim is to foster academic excellence. We provide a caring, nurturing community in which all students can feel supported and safe emotionally and physically. We believe that students are at the center of learning and we strive to challenge our students academically. We create an environment of academic excellence by using a variety of instructional strategies and activities to address the varied learning strengths of our students. Our dedicated staff works very hard to meet the individual needs of all students, and maintain personal relationships with our families.

School Principal: Tequila Kurth

Equity Vision

TJMS is a learning community that respects the experiences, talents and inputs of students, families and staff. We value collaboration, critical thinking, and responsive problem solving while using curriculum that is relevant to the experiences of all students and families. We foster an environment of growth, goal achievement and academic success.

Strengths

Jefferson has many strengths. Students overwhelmingly feel that they are a part of our school community and that their teachers care about them. 80% of parents stated that their child(ren) feels a sense of belonging at Jefferson Middle School. We have worked hard to include student voice into our school decisions. Students and teachers have strong relationships.

Progress

This year, we were able to implement Restorative Justice. Restorative practices are integrated within our behavior response system and the process embodies a restorative approach. We are working hard to develop systems to support and respond to students.

Area for Growth

This year, our focus is on integrating PBS, AVID and ACP to ensure a cohesive schoolwide system which includes common language and uniform instructional practices in order to increase achievement for all students - specifically our African American and Special Education population.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
