*Students use their school supplies each day, therefore a backpack is essential. While students need their backpacks to carry books and things to and from school, backpacks are not allowed to be used during the school day and need to remain in their locker.

**Students will receive their planner on the first day of school.

We often have students that are unable to purchase school supplies. If you would care to donate additional supplies, we would appreciate it greatly. Thank you in advance!

Please see support staff with any questions about school supplies.
