

SCHOOL PROFILE

Wright Middle School

Address: 1717 Fish Hatchery Rd | Phone: 608-204-1340 | E-mail: wright@madison.k12.wi.us

James C. Wright Middle School prides itself on having "CLEAR" values: citizenship, leadership, equity, achievement, and relationship. Through caring relationships, exploration of interests and engagement in meaningful learning we strive to prepare our scholars to be community, college, and career ready. Wright staff meet students where they are and push them to the next level of challenge while maintaining high expectations for achievement. Wright students are on a "CLEAR Path to Success."

Equity Vision

Wright is a scholar-centered community in which all are included, valued, supported & held to high expectations.

Strengths

Wright's small size enhances staff ability to empower scholars. A purposeful community and AVID culture is cultivated which promotes scholar engagement and builds scholar strengths and ability to achieve college and career readiness.

Progress

During the past year, the Wright staff focused on longer instructional blocks, intentional family engagement, and goal setting to enhance student learning. As a result, we saw positive increases in scholars meeting their reading growth targets. In Math, teacher collaboration led to increases for scholars in Math proficiency and meeting growth targets.

Area for Growth

Wright will accomplish its literacy goals by continuing its work with planning lessons that emphasize building inquiry and critical thinking skills. Through a focus on social emotional learning, we will continue to develop self-efficacy through community building and goal setting. Increased emphasis will be put on building collaborative teacher teams that are learning communities which plan together to best meet the needs of all students.

Vision Connection

Our school supports MMSD's vision that all scholars acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our scholars will graduate college, career, and community ready.
